

Stupid Callous Selfish Greedy Ignorant Piece of Shit

(to the tune of Supercalifragilisticexpialidocious)

Stupid callous selfish greedy ignorant piece of shit,
If you could fucking hear yourself, then you would likely lose it.
Say another word to me and we'll take this to the pit,
Stupid callous selfish greedy ignorant piece of shit!

Every time I leave the house
I'm patient as can be
Rush hour traffic and old people
Never bother me

But now and then you meet a bitch
Who thinks they're Jesus Christ;
Unwarranted audacity
Why can't we just play nice? You-

Stupid callous selfish greedy ignorant piece of shit,
If you could fucking hear yourself, then you would likely lose it.
Say another word to me and we'll take this to the pit,
Stupid callous selfish greedy ignorant piece of shit!

I tried my best to reason and
To understand your view;
But the issue's more than what you say,
The real problem's you.

You haven't read a book since you
Were half as young as I,
Assumptions are not knowledge:
You will learn this or you'll die!

You stupid callous selfish greedy ignorant piece of shit,
If you could fucking hear yourself, then you would likely lose it.
Say another word to me and we'll take this to the pit,
Stupid callous selfish greedy ignorant piece of shit!

Facebook has never been a source
And neither are the vibes.
Your opinions cannot dictate
How other people live their lives.

We agree on just one thing:
We've gotten too polite!
Sometimes the only way to learn
Is through a gnarly fight.

You stupid callous selfish greedy ignorant piece of shit,
Stupid callous selfish greedy ignorant piece of shit
Stupid callous selfish greedy ignorant piece of shit
Stupid callous selfish greedy ignorant piece of shit!
